

## A Woman – JJ Grey & Mofro

Intro: C G C G7

**C** **F**  
In the morning she'll show you how much she loves you  
**C** **G**  
And when the night comes you need to show her too  
**C** **F**  
You got to touch her in that way don't you ever stop loving her  
**C** **G** **C** **G**  
And that's how a woman wants to be loved by her man

**C** **F**  
Now any old fool can stay through the good times  
**C** **G**  
And any old fool can run out on her  
**C** **F**  
So you got to buckle up and face that stormy weather together  
**C** **G** **C** **G**  
And that's how a woman wants to be loved by her man

**F** **C**  
There's a place Lord there's a place where a man can't go  
**F** **G**  
She said, "you better not put your hands on me  
**C** **F**  
unless you, unless you're ready to love me"

**C** **G** **C** **G**  
And that's how a woman wants to be loved by her man  
**C** **G** **C** **G** **C**  
And that's how a woman got to be loved by her man by her man
