

## Light A Candle – JJ Grey & Mofro

**Intro: Single Notes ~ E – D – C – A – G – A – C – C (Octave Lower) (Repeat)**

Living in light and love

**Am G Am**

If you say a prayer

**G Am**

Say one for me

**G C Csus4 C**

Oh keep me in your thoughts

**Am G Am**

'Cause I'll say, say one for you

**G Am**

Hold it for the truth

**G C Csus4 C**

I won't let go at all cost

**Am G Am G**

I can't play the blame game any longer

**Am G**

Made me feel stronger

**C Csus4 C**

Just to say that I'm weak

**Am G**

Dark thoughts pile in

**Am G**

One upon another

**Am**

Dark as any other place,

**G C**

Place that I've been

**Am F C**

So light a candle for me

**G Am F**

Be the guide that I need

**C**

When I'm all alone

**Am F C**

So light a candle for me

**G Am F**

Be the joy that I see

**C**

I'm on my way back home

**Bridge: Am G Am G C Csus4 C / Am G Am G C Csus4 C**

**Eb Bb**  
I'll dream of you  
**F**  
And all the things you do  
**C**  
When I'm gone

**Eb Bb**  
I'll dream of you  
**F**  
And the truth  
**G**  
Oh the truth

**Am G**  
Is anybody out there  
**Am G**  
As full of shit as me?  
**Am G C Csus4 C**  
Does anybody out there feel my guilt?

**Am G Am**  
'Cause we can start over and over again  
**G Am**  
Lit by our own light  
**G C**  
We're all just candles in the night

**Am F C**  
So light a candle for me  
**G Am F**  
Be the guide that I need  
**C**  
When I'm all alone  
**Am F C**  
So light a candle for me  
**G Am F**  
Be the joy that I see  
**C**  
I'm on my way back home

**Continues with same Chord Progression until end: Am F C G Am F C**

**If you wish to play with a capo on your guitar, which JJ tends to do quite often, Capo the 5<sup>th</sup> Fret for this song.**
