

This River - JJ Grey & Mofro

music & lyrics by JJ Grey

Acoustic Guitar use capo on 7th fret

Intro: D Bm G A D

D **Bm**
I stare at a picture but there's nothing for it
G **A** **D**
I pull on the bottle and watch this river roll on by
D **Bm**
Trying to find purpose trying to see meaning
G **A** **D**
Trying to make sense of the nonsense that I've called my life

D **A**
Cause only this river can bear me to safety
Bm **G** **Bm** **G** **A**
Only this river can bear me away

D **Bm**
See them all work and play there on the other bank
G **A** **D**
Warm in their houses while I face my cold alone
D **Bm**
Guess I've been drinking away to keep the wolves of my mind at bay
G **A** **D**
but if you run you die I'm just too tired to care

D **A**
Cause only this river can bear me to safety
Bm **G**
Only this river can bear me away

D **A**
I feel Her flowing, flowing right through me
Bm **G**
I hear Her whispers drowning my words
D
Only this river
Bm
Only this river,
G **A** **D**
Only this river can save me from myself

D
Where did my soul go?

A
Where did my spirit hide?

Bm **G**
Why won't they rescue me from the pain in my mind?

D **A**
Only this river in all of Her glory

Bm **G**
Only this river can bear me away

D **Bm** **G** **A** **D**
Only this river, only this river, only this river . . .

D Bm G A D (repeat to fade)
