

Gotta Know – JJ Grey & Mofro

C – F (repeat) for intro and transitions between verses

C

Hey there little flower

F

How do you grow

C

The sun light's your power

F

I gotta know

C G F C

cuz I gotta know more, know more than you

C

Hello little star

F

I spied on you

C

They say you're a million miles away

F

Tell me is the true

C G F C

cuz I gotta know more, know more than you

Am

I went to the circus

C

Am

I saw this bear he was riding a bicycle

C

Trying to be human

Am

C

We all laughed, cuz we knew he couldn't do it

G

F

C

We ask the questions then make all our own answers up

C

F

Hello lord, I've got your number now

C

F

It took me a while, but I figured you out

C G F C

and now I know more, I know more than you

C G F C

and now I know more, I know more than you
