**D** **Daug**  
Off and to the right, the fade of the light  
**D6** **D7**  
I'm watching the sun go down  
**G**  
Over the fields, we see the one  
**G** **D** **Dsus4** **D**  
that little girl to make, make my heart pound (yes she do)  
**A**  
But don't you know that that's forbidden  
**G** **D** **Dsus4** **D**  
son you better get rid of them ideas, they'll lead to a hangin'

**D** **G**  
When I was young  
**D** **Dsus4** **D**  
You know that I believed  
**A** **G** **D** **Dsus4** **D**  
In Santa Claus, true love, and freedom

**D** **Daug**  
Pushin' back the fear, sneakin' off to see her  
**D6** **D7**  
and we'd dream to leave this land  
**G**  
Then her family would say, boy ya better stay away  
**G** **D** **Dsus4** **D**  
if your daddy finds out you're a dead man  
**A** **G**  
Leave me to die, my way my time  
**D** **Dsus4** **D**  
how can a man Lord chain a man

**D** **G**  
When I was young  
**D** **Dsus4** **D**  
You know that I believed  
**A** **G** **D** **Dsus4** **D**  
In Santa Claus, true love, and freedom

**D**                    **G**  
Those days are gone  
                                 **D** **Dsus4** **D**  
Might as well leave them be
