E A

Everybody's looking

E A E A E A

You're the talk all over town

E A

When y'all walk the street

E A E A

He's got a smile you got a frown

E A

Too many folks talking about what you ought to do

E A E A

And not what you gonna do

E A E A E A

Still ain't right for that man to get on top of you

A G E A E A

That Boy don't love - He's afraid of you

E A

We heard he slapped you around

E A E A E A

And I know that shit ain't right

E A

One minute y'all get along

E A E A

And then the next you fuss and fight

E E A E A

Sugar wouldn't melt in his mouth according to you

E A E A E A

Next day we see you girl you all black and blue

A G E A E A

That Boy don't love - He's afraid of you

A G E A E A

That Boy don't love - He's afraid of you
