

The Sun Is Shining Down – JJ Grey & Mofro

C# G# Bbm F#
How many more days can you hold out
C# G# Bbm F#
How much longer can you wait she asked
C# G# Bbm F#
There was a time I thought I, I could answer
C# G# Bbm F#
But my tongue gets tied as my thoughts drift away

chorus:

C# G# Bbm F#
Glory, Glory – Hallelujah
C# G# Bbm F#
The sun is shining, shining down
C# G# Bbm F#
Glory, Glory – Hallelujah
C# G#
I'm alive
Bbm F#
and I'm feeling, feeling fine

C# G# Bbm F#
All those simple thoughts all those peaceful dreams
C# G# Bbm F#
Share the space with a hard worked, hard worked day
C# G# Bbm F#
But it's the little things, the little things not expectation
C# G# Bbm F#
That make life worth living, worth living

chorus:

C# G# Bbm F#
Glory, Glory – Hallelujah
C# G# Bbm F#
The sun is shining, shining down
C# G# Bbm F#
Glory, Glory – Hallelujah

I'm alive
Bbm F#
And the world Lord, world is fine
